

We are open to your different offers and forms of cooperation with the other companies, dockyards as well as individual customers.

The orders we receive by the post, email, fax or our website

- you can pick the order up in our company or we can send it on the given address by the DPD or DHL company
- when you put in an order we require the 30% (or more) prepayment, which you should pay on our account (you get it in an email)
- For our goods we give the two - years quarrantee (it doesn't apply to the damages made by the user e.g. : dirtiness, fires places or mechanical damages)
- We have fast and high- qualited service
- We make out the invoices
